Visa Length Health Cover (VLHC) is generally a condition of holding a Student Visa in Australia. It is a requirement of VLHC that OSHC is purchased and paid up-front for the required policy length. For periods of stay not mentioned above, or if there are any visa or status changes as an international student, or any queries please contact Medibank. Please refer to the Medibank OSHC Member Guide for a list of exceptions to maintaining VLHC.

The information provided in this document is up to date as of January 2018 and only applies to Medibank Essentials OSHC.

Medibank Essentials OSHC FAQs

1. How can I get a quote?

You can get a quote for Medibank Essentials OSHC at medibankoshcaccess.com.au by selecting 'Quick Quote' option. You will need the visa start and end date and know what sort of policy is required, such as single, couple or family policy.

2. How are premiums calculated?

Premiums for all OSHC policies are required to be paid up-front for Visa Length Health Cover (VLHC). The premiums payable are based on the total policy length purchased, and take into account a range of factors to ensure we can meet the costs of a policy over the duration purchased.

3. I require a quote for a policy duration that isn't listed. Can I calculate the amount myself?

It's important to note that the premiums for longer durations are not simply multiples of shorter durations. E.g. The premium for a 36 month policy cannot be calculated by multiplying the 12 month price by 3, or by adding the 24 month and 12 month prices together.

If the required policy length is not listed above, you should get a quote from the Quick Quote Tool at medibankoshcaccess.com.au or email clientsupport@medibank.com.au

4. When can a Couple or Family take out 2 or more single policies instead?

Single OSHC policies can only be purchased by the 'Primary' applicant of an Overseas Student visa. The only instance where a Couple or a Family can take out separate Single policies is where they have individual Student Visas (i.e. they are each 'Primary' applicants on their own Overseas Student visa).
