Complaints and Appeals Policy and Process

Policy

This policy/procedure supports the *Standards for RTO's 2015.v2* in providing a process for complaints and appeals to be heard and actioned. All complaints and appeals received by Australian college of trade will be viewed as an opportunity for improvement. Despite all efforts of Australian College of Trade to provide satisfactory services to its students, complaints may occasionally arise that require formal resolution. The procedures provide students the opportunity to have any issues relating to a substantiated complaint or appeal resolved and resolutions reached that attempt to satisfy all parties involved. This complaints and appeals process will be at no cost to the student.

Australian College of Trade must have a policy for dealing with complaints about our organisation, third parties, staff or other learners. We must also have an appeals policy, in case Australian College of Trade is requested to review or reconsider a decision it has made (e.g. an assessment decision).

We must make these policies publicly available, for example, by including them on Australian College of Trade's website or displaying them in common areas for staff and learners.

Make the process for lodging a complaint or appeal clear and explain what will happen as a result. Ensure people are not disadvantaged.

Allowing learners to easily engage with Australian College of Trade staff about any concerns they have can stop minor issues becoming larger.

Procedure

Informal process

Where possible all non-formal attempts shall be made to resolve the complaint. This may include advice, discussions, and general mediation in relation to the issue. Any staff can be involved in this informal process to resolve issues but once a student has placed a formal complaint / appeal the following procedures must be followed.

Formal process

Any student, potential student, or third party may submit a formal complaint to Australian College of Trade with the reasonable expectation that all complaints will be treated with integrity and privacy. There is no cost for the complaints process unless it is referred to a third party.

A student wishing to submit a formal complaint or appeal can do so by completing the 'Complaints or Appeals Form' VCID.SMS.05 and state their case providing as many details as possible. This application form can be gained by contacting Student Administration at Australian College of Trade.

All formally submitted complaints or appeals are submitted to the CEO. It is their responsibility to deal with the complaint in the first instance.

The CEO shall then refer the matter to the appropriate staff to resolve or make a decision on the complaint within 10 working days and keep the complainant informed of any decisions or outcomes concluded, or processes in place to deal with the complaint.

Appeals

All students have the right to appeal decisions made by Australian College of Trade where reasonable grounds can be established.

To activate the appeals, process the student is to complete a 'Complaints or Appeals Form' which is to include a summary of the grounds the appeal is based upon.

The reason the student feels the decision is unfair is to be clearly explained and help and support with this process can be gained from student administrations department.

The CEO shall then determine the validity of the appeal and organise a meeting with all parties involved in the matter and attempt to seek resolution where appropriate

External Mediators

If a student is still dissatisfied with the decision of Australian College of Trade, a student may wish to refer the matter to an external independent / third party mediator. If they are not satisfied with the outcomes of these processes, they should be referred to the National Training Complaints Hotline.

I understand that this agreement and the availability of Australian College of Trade's complaint and appeals processes do not remove my right to take action under Australia's consumer protection laws.
